

QUANTUM QUEST: A FREE QUANTUM COMPUTING SUMMER CAMP FOR GIRLS

Center for
Quantum Networks

THE UNIVERSITY OF ARIZONA
RESEARCH, INNOVATION & IMPACT
Societal Impact

WHAT IS QUANTUM COMPUTING?

Where quantum physics meets computer science, quantum computing is an emerging technology that is poised to impact industries from healthcare to cybersecurity to climate change.

Are you excited about emerging STEM technologies? Do you want to see how quantum has the potential to change the world? Meet other girls, and UArizona students and scientists already on their quest for quantum!

Who:

Girls
Ages 14-17

What:

Quantum Computing
Summer Camp for
high school girls!

When & Where:

June 9-13, 2025
9am-4pm
Location: Central
Arizona College,
Coolidge, AZ

No prior knowledge required -- Free to all students!
