

## INTERTRIBAL - BOOK CLUB -

Welcome to the Intertribal Book Club! We're a lively group of bookworms from Casa Blanca Community School. Our love for reading unites us as we explore the rich and diverse worlds crafted by Indigenous authors.

Each school year, we dive into an exciting range of books that cater to both adults and children. Our selections include thought-provoking reads for parent/guardian and staff discussions, as well as delightful stories for kids, complete with fun activities to enhance their experience.

Our meetings are all virtual, making it easy for everyone to join from the comfort of their homes. Whether you're a seasoned reader or just discovering your love for books, there's a place for you here. All are welcome to join our vibrant community as we celebrate literature, culture, and the joy of reading together.
